£26 PER PERSON

GUESTS MAY PURCHASE
INDIVIDUAL COURSES IF THEY
PREFER

LEON HUNT & JASON TITLEY

An evening in the company of Leon and Jason is a rare treat, more a musical conversation than a rigid performance.

These old friends will most likely confound any pre-received ideas you may be harboring as to what these instrumentalists (just should) do. As well as having learned six traditional tunes from the US and The British Isles, their own compositions take on musical references from just about everywhere else.

"Somebody call the banjo police"
Living Tradition
